The Board decided to have a Special Meeting on Friday afternoon for the purpose of possibly entertaining addition discussion about establishing a relationship with PATH, entertaining additional discussion about follow-on graphics design work, particularly related to street banners, and going on a walking tour and discussion of the BID area.

Attached is an agenda for that meeting.

As we understand it, all Board Members will be in attendance. Please let me know if you cannot attend. Also let me know as I can assist in any way.

This will be a short informal meeting / discussion.
